The Inverness Park District is a member of a cooperative agreement among 16 park districts which form the Northwest Special Recreation Association (NWSRA). NWSRA exists to provide outstanding opportunities through recreation for people with disabilities. The agency's team of full-time Therapeutic Recreation professionals and trained part-time staff offer safe, fun and quality year round recreation opportunities to individuals with disabilities of all ages and ability levels.

Inclusion assistance is provided by NWSRA to those individuals with a disability who wish to participate in their home park district program. When registering, please inform the park district (and NWSRA, if desired) of any accommodation needed in order to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847.392.2848 (voice), 847.392.2855 (TTY) or 847.392.2870 (fax). Check out NWSRA on the internet at www.nwsra.org.
